

# OUR SCHOOL

There is our school entrance. This is where we enter our school.

This one of our locker rooms, we put our jackets and shoes.

This is our buffet where you can buy different kinds of food, snacks and drinks.

This is our book booth, where we can borrow books.

There we spent our free time in between our classes.

This is some decoration on the floor in second floor.

This is one of our staircases where we have decoration from kids in our school.

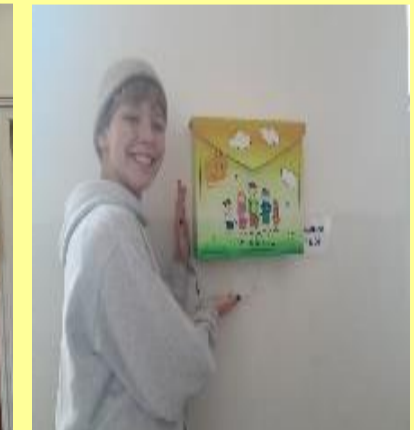

This is our hall on the second floor for first to fourth grade.

This is our gym where we have a lot of gadgets.

This is one of many places where we keep our trophies.

This is where we can share our problems by putting a paper with a letter inside.

This is our assembly hall where we can stage our drama plays and exercise.

This is the stage in our assembly hall where we play our drama plays.

This is our mirror hall where only teachers can go.
